Ah la dee dah dee dah oh  
Ah la dee dah dee dah oh  
Ah la dee dah dee oh daaaah oh

So just the other day  
Somebody asked me  
What happened to us, oh  
And I really didn't know  
How to answer them

But I can tell you this  
What go around come around, kid  
And maybe I didn't or maybe I did (Baby)  
What's your opinion on this break-up  
And how's the view from your side of the story  
So I don't gotta guess no more

Give me your side of the story  
'Cause I don't really know how to answer them  
All I know is what I did to you  
Because you drove me to do it  
And baby

Ah la dee dah dee dah oh  
Ah la dee dah dee dah oh  
Ah la dee dah dee oh daaaah oh

So I drove to your house  
Went through your window  
I waited in your bed  
Until you got home

'Cause baby I've got to know

So give me your side of the story  
'Cause I don't really know how to answer them  
All I know is what I did to you  
Because you drove me to do it  
And oh baby

I've committed a crime  
Against you and somebody

Well they better just walk me to jail right now  
'Cause I'm just a cannon on the loose  
And I'm gonna blow at any time

So I drove to your house  
Went through your window  
I waited in your bed  
And you never came home  
Now baby I've got to know

So give me your side of the story  
'Cause I don't really know how to answer them  
All I know is what I did to you  
Because you drove me to do it (you drove me to do it)

Side of the story  
Side of the story  
Side of the story
