Uh huh  
Spinning 'round  
I hit the ground  
And lift back up to see  
Well nothing's changed  
It's all the same

Chorus:  
Why can't we all just be happy  
Can't you see I'm trying  
We should just take it all away  
Before it is too late

I will try  
I might lose  
But I will try  
'Cause at least I said I did it  
When you see the price you pay  
Then maybe we might change  
Ohhhhh

Repeat Chorus

The wide open eyes  
Emotions run dry  
The face beneath  
The rest is this, the question why  
It's gonna be too late

The wide open eyes  
Emotions run dry  
The face beneath  
The rest is this, the question why  
It's gonna be too late

The wide open eyes  
Emotions run dry  
The face beneath  
The rest is this, the question why  
The lessons I can best describe  
The answers

This lies long side the one who gets to try

Repeat Chorus

Before it is too late

Before it is too too late

No don't let it be late, no, no, no
