Rock the funky beats
Rockin' rockin' with the best
Rock the funky beats
Rock rock rock rock rock rock the funky beats
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rock the funky beats

People freak when they get a hold of these cuts
From the kid with the clogged nasal vocal say what
Your rockin' with the best
When we bust go ahead call my bluff
I'll just serve you with another royal flush
Enough about the fact that we reign supreme
Because when I'm on tour its very plain to see
That we aim to please but never play for free
So make your checks payable to Boom-K-A-T

Step in Taryn G and prepare to be dropped
'Cause I'm like whipped cream I come out on top
Karate chopping since 1988 state champion 2 years
straight
here let me demonstrate

Yup, one to twin powers activate
Form of attire
Form of estate
Lets make the ground shake
Everybody in the place, sing it right

You are now rockin' with the best
And impressed by the styles and finesse
of the freshest crew around
You are now rockin' with the best
And impressed by the styles and finesse
Of the Boomkat tune now

Here we go again, tell a friend
K-E-double L-IN got nuts lets begin

I expect no better yet, I intend to bring an end
to my lack of dividends
this year I'm out to make ??? like ???
Well ya
We're defiantly over poverty
But really all I need is my seed and my hip-hopin' beat
Best believe
And now I'm pleased to pass the mic
so Taryn roll up your sleeves and ignite

Alright, strike a match so I can get my turn
Because the other half of Boomkat's about to burn
And to whom it may concern
I'm equal opportunity
and soon to be ??? of community
due to the way I rhyme fluidly
and plus how I keep crowds visually aroused
when I do my thing
the hell with underground
lets take it mainstream and tell 'em what our name
means please

the 'boom' is the kick and the 'kat' is the snare drum
BOOM-KAT, that's it right there son
I got more flair than a flair gun
And there's no underwear in my dresser 'cause I never
wear it
(what? Put some undies on) NO!
Come together everywhere, everyone
its millennium two-tripple zero, time has come to take a
trip to the moon
'cause I brought a nitrous tank and a bag of balloons
Everybody breathe the fumes

You are now rockin' with the best
And impressed by the styles and finesse
of the freshest crew around
yeah I think that would be Boomkat (hello!)

Microphone check one-to the-two its Taryn G
From the Boomkat crew, and apparently you ???
thought you knew
On you're marks, ready set go
Get a lay fast, next time don't forget
What you mean?
What you said
You killin' Z's?
On not yet, but you can bet I'm crush an enemy without
any regret
We're rocking every letter of the alphabet
Every letter (it's the alphabet)

You are now rockin' with the best
And impressed by the styles and finesse
of the freshest crew around, yeah
I said, you are now rockin' with the best
And impressed by the styles and finesse
Of the Boomkat tune now

Take it Taryn (Alright then)

Well you are now rockin' with the best
And impressed by the styles and finesse
of the freshest crew around
Ya, I said you are now rockin' with the best
And impressed by the styles and finesse
Of the Boomkat tune now

Watch out Boomkat's on the prowl
Rock the litter box

Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
Rockin' with the best
Rock rockin' with the best
