I came, I saw, I kicked some ass
The pain I caused it makes me laugh
'Cause the way I do my thing is strange
I just inject myself into your veins
Can't run cant hide theres no way out
The sun will rise and its about
Time for the wreckoning
Time, time for this girl to sing

Damn if i thought that u would change and my life
would stay the same
I went, You don?t even care about me and no you don?t
give a damn
Things will come and things will go and one thing that I
know fo? sho
is that you don?t give a damn about me and so I?m
walking out the door

oh yeah hmm..

Can?t move can?t breathe it?s getting dark
The beast has come to steal your heart
So you better practice your scream
Oh you may not live your dream

Things will will come and things will go
And one thing I know fo' sho is that
You don?t give a damn about me and so
I?m walking out the door

The wreckoning, the wreckoning, the wreckoning (Oh
it's time)(2x)

Mystic:

Yo, I know you didn't think I'd let you slide forever
with that bullshit you be runnin' like whatever is
whatever
You were fly in the beginnin' had the laugh of an angel
Now I wish you'd slide down a cliff, skin tangled
Just so you can feel the way you make me sick from all
them lies

You told me to be my number one pick
And a busta now, I can't trusta
Now a some shadow of a man, I really hope you suffer
Cause you ain't right you were never true and I bet you
miss me now
How's the dirty shade of blue?
And no one ever told you to watch nice girls
Every chic's got basic instincts even nice girls!
Pick your mouth above the flow but don't ever try to
speak
When you see me in the club I try to hide him in the
streets
But just to be nice I hope you find a nice wife
Who tortures you forever, what a beautiful life!

Things will will come and things will go
And one thing I know fo' sho is that
You don?t give a damn about me and so
I?m walking out the door

(the wreckoning, the wreckoning,)
Damn if i thought that you would change and my life
would stay the same
(The wreckoning, the wreckoning)
You don?t even care about me and no you don?t give a
damn

And I?m running from my problems I got my funny face
painted on
And then I'll think of what you said to me and then I'll
think of what you did to me
I'll think of you and probably laugh
And then I'll think of you and probably laugh
And then I'll think of you and probably laugh
You're the one I'm running from

Damn if i thought that u would change and my life
would stay the same
I went, You don?t even care about me and no you don?t
give a damn
Things will come and things will go and one thing that I
know fo? sho
is that you don?t give a damn about me and so I?m
walking out the door

The wreckoning, the wreckoning, the wreckoning (Oh
it's time)(2x)
The wreckoning, the wreckoning, the wreckoning, You
don't give a damn
The wreckoning, the wreckoning, the wreckoning, I'm
walking out the door
