Up all night  
Ooh za za  
Ooh staying up all night

African jungle  
Big city street  
The only real difference is in  
The people you meet

Up all night  
Ooh za za  
Ooh staying up all night

It's an agreeable town  
It's neat and sedate  
Why even the muggers are off  
The streets by eight

Up all night  
Ooh za za  
Ooh staying up all night  
Say it ain't so Joe, say it ain't so Joe

Polite and well spoken  
Well heeded and well sane  
They know they're alive  
When they start to feel pain

You're staying up all night  
Ooh za za  
Ooh staying up all night  
Up all night  
Ooh za za  
Ooh staying up all night  
Say it ain't so Joe, say it ain't so Joe

Big city jungle  
African street  
The only real difference is in  
The people they meet
