If you take a wrong turn
Around the bend
You will see me smile
Waving

Just a little heart and pain
We could get insane
Pins and needles never lie
All we have is time

I am not the the same
I am not a liar
I am not the same
God

Want to roll me over?
I have never been
All it takes is life
But half the way is where i've been

Just a little heart and pain
We could get insane
Pins and needles never lie
All we've got is time

I am not the same
I am not a liar
I am not the same
God

If you take that road
I'll be waiting there...down
If you take that road
I'll be waiting there...down

I am not the same
I am not a liar
I am not the same
God
