Oh yeah you caught me.
The bottle is by the bed.
Some things are better left unsaid.
I can't be someone that you will regret.

You have so many faces.
As you are as you see. Trying to
Be somebody is like asking yourself to stop changing
naturally.

Excuse my excuses, but what do you expect?
You have it or you don't.
You can't hang with the bed.

I'm not doing this for a selfish little girl.
Is this what you needed? Is this what you wanted?
Let this go.
I won't ask if you don't tell.
This could be a possibility, possibility.

You say it like you've been here before,
Like lips and fits we throw too quick.
What have we gotten into this time?
Nurse check my pulse it's down and out and on the
ground.
It's you against the boy's baby.
You against the boy's baby.

We've got an emergency on our hands.

I'm calling you out.

I'm not doing this for a selfish little girl.
Is this what you needed, is this what you wanted?
Let this go.
I won't ask if you don't tell.
This could be a possibility.

You want to swim with the shark's baby?
The water is warm so dive right in.
You want to swim with the shark's baby? Yeah.
Well this could be a mistake. Yeah.

This could be a mistake.
Be a mistake. Oh my god.

I'm not doing this for a selfish little girl.
Is this what you needed, is this what I wanted?
Let this go.
I won't ask if you don't tell.
This could be a possibility, possibility
