25 years and my life is still  
Trying to get up that great big hill of hope  
For a destination

I realized quickly when I knew I should  
That the world was made up of this brotherhood of  
man  
For whatever that means

And so I cry sometimes when I'm lying in bed  
Just to get it all out, what's in my head  
And I, I am feeling a little peculiar

And so I wake in the morning and I step outside  
And I take deep breath and I get real high  
And I scream from the top of my lungs  
What's goin' on?

And I say hey, hey  
I said hey, what's goin' on?  
And I say hey, hey  
I said hey, what's goin' on?

And I try, oh my God do I try  
I try all the time  
In this institution

And I pray, oh my God do I pray  
I pray every single day  
For a revolution

And so I cry sometimes when I'm lying in my bed  
Just to get it all out, what's in my head  
And I, I am feeling a little peculiar

And so I wake in the morning and I step outside  
And I take a deep breath and I get real high  
And I scream from the top of my lungs  
What's goin' on?

And I say hey, hey  
I said hey, what's goin' on?

And I say hey, hey  
I said hey, what's goin' on?

And I say hey, hey  
I said hey, what's goin' on?  
And I say hey, hey  
I said hey, what's goin' on?

25 years and my life is still  
Trying to get up that great big hill of hope  
For a destination
