Ohhhhhhhh Put your lovin hands out baby. I'm Beggin'  
(Chorus)

Beggin'! Beggin you! Put your lovin hands out baby.  
Beggin'! Beggin you! Put your lovin hands out baby  
Riding high! When I was king. I played it hard and fast  
'cause I had everything. You walked away yuo warned  
me then. That easy come and easy come and easy go  
and it would end!

Beggin'! Beggin' you. Put yor lovin hands out baby.  
Beggin'! Beggin' you. Put your lovin hands out baby.

I need you to understand that I tried so hard to be your  
man. The kind of man you'd want on the end only then  
can I begin to live again!

Beggin'! Beggin you. Put your lovin hand out baby.  
Beggin'! Beggin you. Won't you give your hands out  
baby.

An empty shell. I used to be. A shadow of my life is  
hanging over me. A broken man without a goal don't  
even stand a devils' chance to win my soul.  
I'm trying hard to hold my own but I can't just make it  
all alone. I'm trying hard I can't hold back no that big  
brass ring is a shade of black!

Beggin'! Beggin you. Put your lovin hands out baby.  
Beggin'! Beggin you. Put your lovin hands out baby.

I'm Beggin!
