STAY

(Stay, stay, stay)

Aw just a little bit longer

(Stay, stay, stay)

Please, please, please, please, please

(Stay, stay, stay)

Tell me that you're gonna

(Stay, stay, stay)

Now your daddy don't mind

(Stay, stay, stay)

And your momma don't mind

(Stay, stay, stay)

If we have another dance, yeah

(Stay, stay, stay)

Just one more, one more time

Oh won't you stay

(Stay, stay, stay)

Just a little bit longer

(Stay, stay, stay)

Please, please, please, please, please

(Stay, stay, stay)

Tell me that you're gonna

LET'S HANG ON

There ain't no good in our goodbyin'

True love takes a lotta tryin'

Oh I'm cryin'

Let's hang on to what we got

Don't let go girl, we got a lot

Got a lot of love between us

So let's hang on, hang on, hang on

To what we got

(Do do, do do, do do)

You say you're gonna go and call it quits

Gonna chuck it all and break our love to bits

(Break it up)

I wish you'd never said it

(Break it up)

I know we'll both regret it

Baby (don't you go), baby (oh no no), baby (Come on  
over and stay)

Let's hang on to what we got

Don't let go girl, we got a lot

Got a lot of love between us

Let's hang on, hang on, hang on

To what we got

(Do do, do do, do do)

OPUS 17

(DON'T YOU WORRY 'BOUT ME)

I can see

There ain't no room for me

You're only holding out your heart in sympathy

If there's another man

Then girl I understand

Go on and take his hand

And don't you worry 'bout me

I'll be blue

(Boo do do do)

And I'll be crying too

(Boo way do)

But girl, you know I only want what's best for you

(Boo way do)

What good is all my pride

(Do do do do do do)

Without you love has died

(Do do do)

Go on and be his bride

(Baby)

And don't you worry 'bout me

I'll be strong

I'll try to carry on

Although you know it won't be easy when you're gone

I'll always think of you

(Baby)

Can't end the love we knew

(Baby)

But somehow I'll get through

(Baby)

So don't you worry 'bout me

(BYE, BYE, BABY)

Bye, bye, baby

Baby goodbye

(Bye baby, baby bye bye)

Bye, bye, baby

Don't make me cry

(Bye baby, baby bye bye)

You're the one girl in town I'd marry

Girl I'd marry you now if I were free

I wish it could be

I can love you but why begin it

'Cause there ain't any future in it

She

(She's got me and I'm not free so)

Bye, bye, baby

Baby goodbye

(Bye baby, baby bye bye)

Bye, bye, baby

Don't make me cry

(Bye baby, baby bye bye)

Bye, baby bye

(Bye baby, baby bye bye)

Cry, baby cry

(Bye baby, baby bye bye)

Bye baby, baby bye bye

Bye
