My eyes adored ya  
Though I never laid a hand on you  
My eyes adored ya  
Like a million miles away from me you couldn't see how  
I adored ya  
So close, so close and yet so far  
Carried your books from school  
Playin' "make-believe you're married to me"  
You were fifth-grade, I was sixth  
When we came to be  
Walkin' home every day over Barnegat Bridge and Bay  
Till we grew into the me and you  
Went our separate ways

CHORUS

Headed for city lights  
Climbed the ladder up to fortune and fame  
I worked my fingers to the bone  
Made myself a name  
Funny I seemed to find  
That no matter how the years unwind  
Still I reminisce 'bout the girl I miss  
And the love I left behind

CHORUS

(My eyes adored ya)  
All my life I will remember  
(Though I never laid a hand on you)  
How warm and tender we were way back then, whoa,  
whoa, baby  
(Like a million miles away from me you couldn't see  
how I adored ya)  
Oh, the feeling, sad regrets  
(So close, so close and yet so far)  
I know I won't ever forget ya, my childhood friend  
(My eyes adored ya)  
(Though I never laid a hand on you)  
(My eyes adored ya)  
(Like a million miles away from me you couldn't see  
how I adored ya)

FADE

So close, so close and yet so far
