Last night i couldnt sleep
I had a vision say to me
"if you want to wake up to better days...
Forget the past and your shallow ways...
Just bleed on"

Woke up to the moon
So bright it cracked me into
It made me realize there's more to life
Don't keep it inside

If there's miles of roses
And thorns are showing
Cut the skin like paper
And see what's flowing

Bleed on
Bleed on your maker
Bleed on
The ground that will take us
Bleed on...

Twilight coming soon
Flowerd die before they bloom
See what you're made of?
Don't let it slip away
Slip away

If there's miles of roses
And thorns are showing
Cut the skin like paper
And see what's flowing

Bleed on
Bleed on your maker
Bleed on
The ground that will take us
Bleed on

Don't leave me forever
Never want to stay forever
If i fall off the world you'd never want to be the same

Forever..

Bleed on

Bleed on your maker

Bleed on

The ground that will take us

Bleed on
