Stones thrown  
Windows broken  
Tombstones have grown a family tree  
Around my feet  
Paint a picture  
Coloured red and blistered at the seams  
And you'll see me

Darker days  
That's what I love  
That's what I love  
Darker days  
That's what I love  
That's what I love  
That's what I love

Blown to pieces  
Winter blooms and freezes down in me  
What does it mean?  
When I love the thunder as I'm going under  
The sea again  
It starts to fold and swallow

Darker days  
That's what I love  
That's what I love

Darker days  
That's what I love  
That's what I love  
That's what I love

That's what I love...

Darker days  
That's what I love (That's what I love)  
That's what I love  
Darker days  
That's what I love  
That's what I love  
Darker days  
That's what I love

That's what I love  
Darker days  
That's what I love  
That's what I love  
That's what I love  
That's what I love  
That's what I love
