All of your drams just leave me empty  
All of your dreams just leave me dead

Look at me  
"im gonna be"  
But you don't see the things i see  
Another dove, up above  
But you don't like the things i love  
And im hard enough again  
Come feel me  
And im tired of all the rest  
Come see me

All of your dreams just leave me empty  
All of your dreams just leave me dead

Ive become a second son  
To you and all the things ive done  
I could become the only one  
But you don't like the drugs im on  
But im hard enough again  
Come feel me  
And im tired of all the rest  
Come see me

All of your dreams just leave me empty  
All of your dreams just leave me dead.
