

Four Star Mary "Never Mind"

Visit "[Never Mind](#)" on [MotoLyrics.com](https://www.motolyrics.com)

you could send me a saviour
that lives 'til the end of time
promise the heavens
but that only leaves me dry

too many saviours
fuck with me

i won't die
i've never cried
but i needed more from you
i've found my life
without you now

and i'd never mind
i'm only half as blind
'cause i needed more
from you

you say my reflection
never fades from your eyes
could change my direction

but what i feel can't
disguise my reflection

crushing me

i won't die
i've never cried
but i needed more from you
i've found my life
without you now

and i'd never mind
i'm only half as blind
'cause i needed more
from you
