Darling, I really wanna know  
Am I in your plan?  
Can I be your man?

Darling, I'll never leave your side  
If you'd be my blushing bride  
I just wanna be your man  
Please

All my love  
I promise you all my love  
All the love I can give  
As long as we both shall live  
I'll give you all the soul  
I know that your heart can hold

Love that I feel inside for you  
It's true

I'd walk through burning sand  
Sail the ship on dry land  
If I could be your man

I, I promise to be true  
I'll be real good to you  
I wanna be your man  
Please, yeah

All my love  
I promise you all my love  
All the love I can give  
As long as we both shall live  
I'll give you all the soul  
I know that your heart can hold

The love I feel inside for you  
Oh, it's true

Darling, I'd walk through burning sand  
Sail the ship on dry land  
All I wanna do is just be your man  
Please, please, oh yeah

All my love  
I promise you all my love  
All the love I can give  
As long as we both shall live  
I'll give you all the soul  
I know that your heart can hold

All the love I can give  
As long as we both shall live
