This is the end of a beautiful friendship  
It ended a moment ago  
Oooh, this is the end of a beautiful friendship  
I know 'cause your heart told me so

We were always like sister and brother  
Until the night we looked at each other  
That was the end of a beautiful friendship  
And just the beginning of love

(We were always like sister and brother)  
Until that night when we looked at each other  
(That was the end of a beautiful friendship)  
(And just the beginning, just the beginning, just the  
beginning of love)

Talkin' 'bout love  
That crazy love  
Love, ain't love grand?  
Ain't it mellow  
Ain't it sweet  
That love, love love love love love
