Sugar pie honey bunch
You know that I love you
I can't help myself
I love you and nobody else

In and out my life
(In and out my life)
You come and you go
(You come and you go)
Leaving just your picture behind
And I've kissed it a thousand times

When you snap your finger
Or wink your eye
I come running to you
I'm tied to your apron string
And there's nothing that I can do

I can't help myself
No, I can't help myself

Oh, sugar pie honey bunch
(Sugar pie honey bunch)
I'm weaker than a man should be
I can't help myself
I'm a fool in love you see

Wanna tell you I don't love you
Tell you that we're through
And I tried
But everytime I see your face
I get all choked up inside

When I call your name
Girl it starts the flame
(Burning in my heart)
(Tearin' it all apart)
No matter how I try
My love I cannot hide

'Cause sugar pie honey bunch
(Sugar pie honey bunch)

You know that I'm weak for you
(Weak for you)
Can't help myself
I love you and nobody else

Sugar pie honey bunch
Do anything you ask me to
(Ask me too)
Can't help myself
I want you and nobody else

Sugar pie honey bunch
(Sugar pie honey bunch)
You know that I love you
(Love you)
Can't help myself
No, I can't help myself

Oh, sugar pie honey bunch...
(Fade)
