If I were a carpenter  
And you were a lady  
Now would you marry me anyway?  
Would you have my baby?

If I take on a tinkers trade  
Would you still find me?  
Oh, carryin' the pots I made  
Followin' closer behind me

Save my love through loneliness  
Save my love for sorrow  
'Cause I have given you my onliness  
Give me part of your tomorrow

If I worked my hands in wood  
Would you still love me?  
Now, answer me baby, "Yes I would  
I'll place you high above me."

If I were a miller  
At a mill wheel grindin'  
Now would you miss your color box  
And your soft shoe shining?

If I were a carpenter  
And you were a lady  
Now, would you marry me anyway?  
I want you to have my baby

If I were a carpenter  
And you were a lady  
Now, would you marry me anyway?  
Would you have my baby?
