If you don't want my love
Darling, please, let me know, let me know
If you don't want my kisses
Darling, please, tell me so, tell me so
Because this uncertainty
Is causing me so much misery, and oh
Your eyes no longer have that glow
Your smile no longer shows that warm hello
And gone is the look of love when we meet
And the sweet things, the sweet things we used to
speak
We've grown so far apart
Now darling, it's breaking my heart, and oh
If you don't want my love
Your lips no longer have that warm bliss
Your seem to turn away when we kiss
And I miss your arms [Incomprehensible] around me
And somehow I feel you don't want me
We've grown so far apart
Now darling, it's breaking my heart, and oh
If you don't want my love
Darling, please, let me know, let me know
And if you don't want my sweet, sweet kisses
Darling, please, tell me so, tell me so
If you don't want my love
