Into my life you came
Spreading a glow you shared my name
Baby, Lord knows I'm not ashamed
To tell the whole world I love you, yeah

Stretch out your hand, pick me up

Nourish me from the lovin cup
Till my cup runneth over

With your sweet-er understanding love
Undemanding love
And it sho nuff love, hey baby
Sweet-er and undying love
Undenying love
And it's sho nuff love, hey baby

Picked me up when they tore me down

Rescued me from the underground

Encircle me with you lovin arms
And I'll always be thankful
Look at me I'm a brand new man

With you a part of my master plan

Now I'm ready to take a stand
Because you make me a winner

With your sweet-er understanding love
Undemanding love
Is sho nuff love, hey baby
Sweet-er and undying love
Undenying love
And it's sho nuff love, hey baby

Ls for the new love you gave me
When I thought mine was through

O is for the only love I've ever known
Given to me by you

V is for the value
Of our priceless understanding

E is everlasting

Sweet-er understanding love
Undemanding love
And it sho nuff love, hey baby
Sweet-er and undying love
Un denying love
And it sho nuff love, hey baby

Sweet-er understanding love
Undemanding love...
