As I walk this land of broken dreams
I have visions of many things
But happiness is just an illusion
filled with sadness and confusion

What becomes of a brokenhearted
who had love that's now departed
I know I've got to find
some kind of piece of mine, baby

The roots of love grow all around
But for me they come tumble all down
Every day, heartaches grow a little stronger (just a little
stronger)
I can't stand this pain much longer

I walk in shadows, searching for a life
cold and alone, no comfort inside
Hoping and praying for someone who cares
always moving and going nowhere

What becomes of a brokenhearted
who had love that's now departed
I know I've got to find
some kind of piece of mine, help me

I'm searching though I don't succeed
For someone's love, there's a growing leaf
oh is lost there's no place for beginning
All that's left is that unhappy ending

now what becomes of a brokenhearted
who had love that's now departed
I know I've got to find
some kind of piece of mine
I'll be searching everywhere
just to find someone to care
I'll be looking every day
I know I find it miles away
Nothing's gone stop me now
I will find a way somehow
