Yesterday's dreams today are sorrow  
Just like your love, girl, fading away  
Yesterday's love won't last till tomorrow  
I know you're leaving, but what can I say?  
Oh (oh) wish that I could find a way  
To make you stay; I've got to prove to you  
That I love you, I need you, oh how I need you  
Don't go (don't go) don't go (don't go)  
If you go, don't you know  
You're gonna leave me with...

Yesterday's dreams though gone & behind us  
They're lonely reminders of plans that we made  
Yesterday's plans today gone forever  
But they're locked here inside me & they never will  
fade  
Although (although) you may go, time will show me  
Dreamin' still, & I always will  
'Cause I love you, I need you, oh how I need you  
Don't you go (don't go) don't you leave me, baby (don't  
go)  
Baby don't you leave me (don't go) please don't leave  
me  
(Don't go) here with yesterday's dreams

Although (although) you may go, time will show me  
Dreamin' still, & I always will  
Yesterday's dreams are a small pile of ashes  
With one burning hope that hangs on
