(originally by Sugar Ray
feat. Travis McCoy)

Spread your love and fly, fly...

All around the world, statues crumble for me
Who knows how long Ive loved you
Everywhere I go people stop and they see
Twenty-five years old, my mother, God rest her soul
(lord, have mercy)

I just wanna fly
(uh, where you, uh, where you want)
Put your arms around me, baby
Put your arms around me, baby
I just wanna fly
(where you want, where you try, uh, where you want)
Put your arms around me, baby...
(i, i, I w...w...would tell her, here, well
Spread your love and fly, oh, me, oh, my
Spread your love and fly, oh, me for i
Spread your love and fly, fly)

Dance a little stranger
Show me where you've been (say what?)
Love can make you hostage
Wanna do it again (word)
Theres no time to think
bout the starting or the end (never)
Well find out, I'm told
My mother, she told me so,
(yeah, yeah, check it out)

I just wanna fly
(higher, higher, higher, high, high, high)
Put your arms around me, baby
Put your arms around me, baby
I just wanna fly
(like a birdie in the sky up so high)
Put your arms around me, baby
Put your arms around me, baby

I just want...
(grow your wing and fly)
...to fly
(uh, wh-... where you want)
(uh, wh-... where you want)

Love you, baby girl, love, and Ill tell no lie
All the women all be loving
They want to come a me I, just like I
And the they wanna fly
Me have a lovely girl
I'm gonna tell her bye-bye and
Grow your wing and fly, oh, me, oh, my
Spread your love and fly, fly

All around the world, statues crumble for me
Who knows how long Ive loved you (ain't my thing)
Everyone I know has been so good to me (hey, hear that)
Twenty-five years old, my mother, God rest her soul
(lord, have mercy)

I just wanna fly
(like a birdie in the sky up so high)
Put your arms around me, baby
Put your arms around me, baby (all night long)
I just wanna fly
(higher, higher, higher, higher)
Put your arms around me, baby
Put your arms around me, baby

I just want...
(grow your wings and fly)
...to fly
I just want...
...to fly
(uh, wh-uh... where you want
Try, uh, wh-...where you want)

I just wanna fly
