I just wanna save myself
I don't care about anyone else.
Bet you're gonna be just fine,
And I just might
Sweat it out, sweat it out.

'Cuz I'm not going anywhere
I've gotta get outta here
I've gotta get outta here
I've gotta get out.

I'm singled out
I couldn't be anymore related
When I'm sitting around
Conjuring up a stronger offense.

I'm watching out
Before myself, 'cuz this is all I have,
I should be runnin' around,
Sweating out hits

Ever since this is my last chance
To sweat for you (say it isn't true)
What's about time for me
And I gotta kick it
Kick it up, a little bit
A little bit.

'Cuz I'm not going anywhere
I've gotta get outta here
I've gotta get outta here
I've gotta get out. [x2]

I'm breakin' out
This couldn't be anymore related
So I'm runnin' around
Covering up some blanks to tell you

My luck's run out
Tonight I haven't tried
I should be runnin' around,

Sweating out hits

Ever since this is my last chance
To sweat for you (say it isn't true)
What's about time for me
And I gotta kick it
Kick it up, a little bit
A little bit.

'Cuz I'm not going anywhere
I've gotta get outta here
I've gotta get outta here
I've gotta get out. [x2]

I will sweat for you
If you really want me to
I will sweat for you
If you really want me to

'Cuz I'm not going anywhere
But I've gotta get outta here
I've gotta get outta here

I gotta get out (of here)
I gotta get out (of here)
I gotta get out
I gotta get out (I've gotta get outta here)
(I will sweat for you)
(I've gotta get outta here)
I've gotta get out
