(originally by No Doubt
feat. Peter "JR" Wasilewski & Buddy "Goldfinger"
Schaub")

You think that we connect
That the chemistry's correct
Your words walk right through my ears
Presuming I liken' what I hear
And now I'm stuck in the
The web you're spinning
You've got me for your prey

Sorry I'm not home right now
I'm walking into spiderwebs
So leave a message
And I'll call you back
A likely story, but leave a message
And I'll call you back

You're intruding on what's mine
And you're taking up my time
Don't have the courage inside me
To tell you please let me be

Communication, a telephonic invasion
I'm planning my escape...

Sorry I'm not home right now
I'm walking into spiderwebs
So leave a message
And I'll call you back
A likely story, but leave a message
And I'll call you back

And it's all your fault
I screen my phone calls
No matter who calls
I gotta screen my phone calls

Now it's gone too deep (Now, it's gone too deep)
You wake me in my sleep (Wake me in my sleep)

My dreams become nightmares (Dreams become nightmares)

'Cause you're ringing in my ears

Sorry I'm not home right now

I'm walking into spiderwebs

So leave a message

And I'll call you back

A likely story, but leave a message

And I'll call you back

And it's all your fault

I screen my phone calls

No matter-matter-matter-matter who calls

I gotta screen my phone calls

Oooh, the spiderwebs

Leave a message

And I'll call you back

I'm walking into spiderwebs

So, leave a message

And I'll call you back

It's all your fault

I screen my phone calls

No matter-matter-matter who calls

I gotta screen my phone calls

It's all your fault

It's all your fault

No matter who calls

No matter who calls

I'm walking into spiderwebs so,

Leave a message

And I'll call you back

I'm walking into spiderwebs so,

Leave a message

And I'll call you back

It's all your fault (I'm walking in the spiderwebs)

No matter who calls (So leave a message and I'll call you back)

I gotta screen my phone calls (I'm walking in the spiderwebs)

It's all your fault (So leave a message and I'll call you back)

No matter-matter-matter who calls (I'm walking in the spiderwebs)

I screen my phone calls (So leave a message and I'll call you back)

I'm walking into spiderwebs

Leave a message and I'll call you back
