All roads lead to Zion
After all is said and done
All roads lead to Zion
After all this confusion
All roads lead to Zion
After all this temptation
All roads lead to Zion
The race is not for the swift
Nor the battle is for the strong
But for those who can carry on
Carry on got to carry on
The way is clear but narrow
Please remember to live for tomorrow
JAH will wipe away our sorrow don't you know
(chorus)
Your hands and heart must be clean
Rasta children if you know what i mean

Render not your garments to be seen
If you know what i mean
The way is clear but long
Rasta children stay away from the wrong
RASTAFARI sittith on his royal throne
Oh yeah
(chorus)
Binghi chant
The way is clear but steep
Rasta children you look before you leep
SELASSIE I sitteth on his judgement sit
For i to keep
The way is long but clear
Rasta children you don't have fear
RASTAFARI sitteth on his royal chair
For i to hear
(chorus)
