Down in Angola, twenty years of war
And it is not over
Down in Namibia, and don't forget
The ignoble South Afrikkkaners
Everyone wants to be the conqueror
Crime who's doing the time

(chorus)

Gun smuggler charge this man for murder
(repeat)

Just across the border
Down in Nicaragua
Just across the border
Down there in Columbia
Someone's getting paid
Someone's getting paid
As the bullets fly high
Look how they bury their dead
As the bullets fly high

Look how they bury their dead

Chorus

Down in the ghetto
Youth gone wild in the ghetto
Youth gone different in the ghetto
Youth gone wild in the ghetto
Fighting for turf they don't even own
These cities streets have turned into war zones
Youth gone wild in the ghetto
Crime who's doing the time

Chorus

White collar crime
White collar crime
Crime, crime, crime
Who's doing the time
Who's doing the time

Chorus
