Got to get next to you we riding thru with JAH JAH
Want to be riding with you natty riding thru with JAH JAH
Hear me now oh you sons of men
Check how you standing on the razors edge
Violence and strife in the city
Oppression and fraud inna de market place
(chorus)
Got to get next to you natty riding thru with JAH JAH
Want to be riding with you natty riding thru with JAH JAH
Riding thru hills and valleys
Trample down concrete and stone

Trodding thru rocky mountains
Cause this city is really not my home
Hear me now oh ye sons of men
Surely there is a reward for the righteous man
JAH say justice an love would satisfy his soul
Justice and love ten fold
(chorus)
Natty can't sit with backbiters everyday
Natty can't sit with back stabbers everyday
Natty can't sit with a hpocrite everyday
Natty can't sit with friend enemy everyday
