Everyone is doing
Doing what he can
Rebel like he wants to
Skanking like them want
Everyone is fighting
Fighting for their liberties
Wanting the best for his friend and family

(chorus)
Who know better do better
People if you can I know you'll try your best
(repeat)

My love got no fear for the future
Oh my love is free
If Jah, Jah Sun rises in the east
That's the way it's gonna be
I'm not expecting a peaceful revolution
No, No, No

I don't know why, I don't know why
They'll try to cut you down
Just to see you bleed
I don't know why, I don't know why

They'll make promises that them
Never intend to keep
No, No, No

Chorus

Jah, Jah cool the temptest heart
So the wise could speak
Word fill like food, clothes and shelter
Feeding the meek
This is the morning of the new beginning
Rise up my people for a new day is dawning

You know, you know say
You know, you know, you know say
If you can not hear this
Then you a go feel

You know, you know, you know say
You know, you know, you know say
If you can not hear this one
Then you a go feel

Chorus
