Head under water and you tell me to breathe easy for a while

The breathing gets harder even I know that  
Made room for me, it's too soon to see  
If I'm happy in your hands, I'm unusually hard to hold on to

Blank stares at blank pages, no easy way to say this  
You mean well but you make this hard on me

I'm not gonna write you a love song  
'Cause you asked for it, 'cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's make or breakin' this if you're on your way

I'm not gonna write you to stay  
If all you have is leavin'  
I'm gonna need a better reason  
To write you a love song today, hey, hey, hey  
Today, hey, hey, hey

I learnt the hard way that they all say the things you wanna hear  
And my heavy heart sinks deep down under you  
And your twisted words, your help just hurts  
You are not who I thought you were, hello to high and dry

Convinced me to please you, made me think that I need this too  
I'm trying to let you hear me as I am

I'm not gonna write you a love song  
'Cause you asked for it, 'cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's make or breakin' this if you're on your way

I'm not gonna write you to stay  
If all you have is leavin'  
I'm gonna need a better reason

To write you a love song today

Promise me that you'll leave the light on  
To help me see with the daylight, my guide gone  
'Cause I believe there's a way  
You can love me because I say

I'm not gonna write you a love song  
'Cause you asked for it, 'cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's make or breakin' this

I'm not gonna write you a love song  
'Cause you asked for it, 'cause you need one, you see  
I'm not gonna write you a love song  
'Cause you tell me it's make or breakin' this if you're on  
your way

I'm not gonna write you to stay  
If your heart is nowhere in it I don't want it for a minute  
Baby, I'll walk the seven seas if you believe that there's  
a reason  
To write you a love song today, hey, hey, hey, today  
Today, hey, hey, hey, today
