La la la la la la  
La la la la la  
Oh lu la la la la la  
Da la la la

Keep the music soft and low  
If you love her, let her know  
It's OK to be a little shy  
Watch the sunset hand in hand  
Moonlight walks along the sand  
Dancing underneath the starlit sky

(Hush)  
There's no need to.. (rush)  
Listen to the prelude for lovers  
(Ooh yeah)

You can see her body's arms  
Deep inside the fire burns  
Dancing in the glow of candle light  
Looking in her eyes you know  
She was here to take it slow  
You can make this long and last all mine

(Ooh)  
(Hush)  
There's no need to.. (rush)  
Listen to the prelude for lovers  
Listen to the prelude for lovers  
(Whisper)  
Touch her hair  
(Kiss her)  
Come on and listen to the  
Prelude for lovers

La la la la la la la

la la la la la la

(Hush)  
There's no need to rush  
Listen to the prelude.. (for lovers)

Prelude for lovers  
(Whisper)  
Run your fingers through her hair  
(Kiss her)  
Listen to this..  
Prelude for lovers

(Ooh.. I know)  
I know..ooh I know that you're feeling, darling  
(Prelude for lovers)  
(There's no need to rush)  
Just let the music flow  
(Prelude for lovers)  
(There's no need to rush)

(Prelude for lovers)  
(There's no need to rush)
