The world's shaking with the love of God
Great and glorious let the whole earth sing
And all you ever do is change the old from new
People we believe that..

Chorus

God is bigger than the air I breath
The world we'll leave
God will save the day when all with say
My Glorious!

Clouds are breaking, Heavens come to earth
Hearts awakening let the church bells ring

And all you ever do is change the old from new
People we believe that..

Chorus

My Glorious(x8)

And all you ever do is change the old from new
People, People we believe that..

Chorus(x2)

Glory Glory send Your Glory (repeat a bunch of times)

Chorus
