Uh (more like a sound that you've been hit in the gut)...

I...

I'm just killing time now
I do it all the time now
And it's killing me

I...

I polish off the bottle
I'm throwing down the throttle
Drinking gasoline

Now I'm on my way
Driving down Broadway
Wasting all my time
And I won't be late
Cause I'm on the brake
So don't hesitate
Never make it out
And it's killing me

Do...

Do you get the feeling?
That you've been bled
Cause now you're bleeding me

You...

You're spilling all the wine now
On Hollywood and Vine now
It's Lushotology

Now I'm on my way
Driving down Broadway
Wasting all my time
And I won't be late
Cause I'm on the brake
So don't hesitate
Never make it out
And it's killing me

And it's killing me

(Awesome guitar stuff)

I...

I'm just killing time now

I do it all the time now

And it's killing me

I...

I polish off the bottle

I'm throwing down the throttle

Drinking gasoline

Now I'm on my way

Driving down Broadway

Wasting all my time

And I won't be late

Cause I'm on the brake

So don't hesitate

Never make it out

And it's killing me...

And it's killing me...

And it's killing me!
