Miles away  
I'm walking in like someone else again  
Miles away  
I'm watching summer through an English rain  
And I'm a new man when I walk away  
It's crazy  
Shaking the daze from my head again  
I know I must be miles away  
Miles away  
Miles away  
Miles away  
Miles away  
I reassemble on the morning train  
I try to say  
My voice just tumbles on a long delay  
And there's a new man at the edge of me  
It's crazy  
Making new plans for the rest of me  
I'm looking back from miles away  
Miles away  
Miles away  
Miles away  
All the same  
We talk on telephones across the haze  
Miles away  
The planes go glinting on their vapour trails  
And I'm a new man when I walk away  
It's crazy  
Turning my head to the shine again  
I'm waking up from miles away  
Miles away  
Miles away  
Miles away
