### "My Wild Love"

Visit "[My Wild Love](#)" on MotoLyrics.com

My wild love is a love that goes deeper each day  
My wild dream is a dream of the sea  
My whole life, I feel is turning away  
From the man I thought I would be  
For my wild love, my wild love....  
Walking, I've been walking  
As the moon rose on the waves  
Remembering how things used to be  
Before everything was changed  
I see your face in stained glass windows  
I touch your heart, it's the heart of the sea  
You come to meet me through millions of sunsets  
No-one else would ever believe in my wild love  
My wild love.....
