Fourteenth street  
Booze and swallow  
I'm gonna drown my sorrow  
Dirty floors  
And sticky tables  
For the willing  
And the able

All the zombies on a hot  
Friday night

Goin' down to the Ruby Room  
I'm gonna meet my doom  
By the name of Rosie May  
She's the night pick of the day

Lucky Strike and I will travel  
As a Pabst Blue Ribbon unravels  
Gonna drink my hard earned pay

'Cause it doesn't matter anyway  
Seeing double on a one last one night stand

Goin' down to the Ruby Room  
I'm gonna meet my doom  
By the name of Rosie May  
She's the night pick of the day

Goin' down to the Ruby Room  
I'm gonna meet my doom  
By the name of Rosie May  
She's the night pick of the day

Going down to the Ruby Room
