She keeps her lover on ice,  
She keeps a fire in the grate,  
He's got a movement in his cellar,  
He's a danger to the state.  
Watch out for the normal people  
There's more of us than there's of you.  
Well you're a really lucky bugger,  
That you haven't been discovered  
Ain't that true.

She has a genuine fridge, (ooh ooh ooh)  
He has a night on the town (ooh ooh ooh)  
Their receptions too good (ooh ooh ooh)  
They've got 2 up and 2 down  
Watch out etc.

Normal can and normal will, (uncle jack)  
When normal Jack meets normal Jill (auntie jill)  
A normal wedding on a normal pill (take their pills)  
They bought a normal house on your  
Average, scenic, normal hill,  
They live there still...

He's got a family connection,  
She's got an uncle in steel,  
He gets depressed in the evening  
She thinks she knows how he feels.
