(oh)na,na,na,na,na,na,na,na,na x3

But does he love me,
Does he really love me?
(hey yo Kesh)(uh huh)

na,na,na,na,na,na,na,na,na x3

But does he love me,
Does he really love me?

Met him at the mall in the parking lot
He said Keshia lookin' good and your lookin hot
He was runnin' game and it sounded good
He says he love me,
Does he really love me?
Talkin on the phone almost everynight
He said he didn't want me dealin' with no other guy
Am I the only one or was it just a lie

chorus:

But does he love me, does he really love?
Is it all about me
Will I be his one and only
He don't know a thing about me
Should I really be his shorty?

He says he loves me, does he really love me?
Is it all about me
Will I be his one and only
He don't know a thing about me
Should I really be his shorty

(verse 2)

Thinking to myself is he leading me on
but if lovin him is right,I don't wanna be wrong
Should I get with him 'cause i need to know
What am I supposed to do, now
I'm falling for this boy and he has no clue
Is it just a phase he's got? am i down for the way i feel?
