[DMX]

Uhhhh, uhhhhhh

Let's do it, we're startin'

Uh, come on boogie boogie, uh, uh

Lets do it, let's do it, DMX, come on

I been playin' bitches all my life, from that hoe to my wife

You think I give a fuck, like you don't know I'm livin' trife

Strife and struggle, bitches with pussy on the juggle

Little shorty named Tomika from 25th who can smuggle

Cheese to that Columbian Connection

From that cross-the-water section

Baby nine-seventeen, try for protection

Injection of that shit I'm kickin'

Got you stickin' niggas you got love for

Bring 'em up, touch 'em with the buzz saw

Bitches slingin' rocks, swingin' glocks, bringin' knocks

Holdin' down the fort even when it's steamin' hot

Money's being got but honeys actin' shady

So I hit it with 5 between the 380's

Can't fox a 300 Mercedes

Time like this bring out the savage and shit

Bitches ain't keepin' it real, so I'm damagin' shit

I'm on that scavenger shit, and I'm hungry

Fox with the Dog, it's about to get ugly, for real

Aiyyo

[Both]

[Foxy Brown]
Nigga fuck you, eat a fat one
Doe, I stack dumb pussy, platinum and lace
Ain't no smile on my face
Shit, burner by the waist
Fuck him right to the safe and tell him
Crack the bitch before I blast this bitch
Ya'll know Na-Na come through
Dime-chicks, iced up, minked out, roly 6, light grey
chrome 6
Go to ask, wanna fuck? Then throw the cash right
Eery bitch needs some dick in they life, Nigga
Make em cop you a drop or just cop you some rocks
Take it all from his dumb-ass, slide on his bum-ass
I want some shit and I'm hungry, Dog with the Fox
It's about to get ugly
Repeat hook 2x's
