[Foxy Brown]

HEY, you're 'bout to hear the most incredible shit ever written

Hard spittin', cigar splittin'

PRAY, to your god and to them words in the Biblical scriptures

Critical bitch must, flow to the shit that just fit her

RODE, with the best auto that money can buy me

The best damn mami, Def Jam signed me

HOES, you know they'll never compare to my status

Nothin' matters, I'm the fuckin' baddest see

FAME, is worth it if you got money to match it

I'm hotter than acid and don't even practice

GAME, guess I got it at birth from my mamma

Ill Na Na, real drama, see I

BALL, til' I can't or I'm covered by maggots

I straight spaz it and let y'all have it

BLOAW!

SPLURGE,when I'm gettin' my money it's nothin'

Always bussin', flows is disgustin'
 WOH, I'm constantly multiplying my digits
 Fox the richest, please no pictures
 ONES, that I be countin' be keepin' me smilin'
 We out wildin', shout to the island!
 DUN, I keep it gangsta for all of my soldiers
 It's so over, keep y'all composure
 STYLE, when we want and we love when they hate us
 Don't debate us, flow's not contagious
 FOUL, we can be if y'all niggas provoke us
 Buenos noches, do not approach us
 FLOSS, til the law say I can't or I'm finished
 Pour the Guinness, I'm a straight menace!
 BLOWAW!

 BENZ, my CREAM material's iller than average
 Lots of baggaze, shopping savage and my
 FANS, say that my album is close to a classic
 They don't, gas it, y'all gots to have it
 SHOES, got to be Christian or Gucci or Prada
 Who could stop her, ain't a bitch, hotter

 Wrist, rocky, y'all bitches watch me
