Bring to you, 'Foxy Brown The Album'

What the hell do you think I'm running here, a chicken

coop?

Foxy, the word's on the streets from New York to Cali  
You're the one but you gotta be careful  
There's a lot of haters in the game

This b\*\*\* rose thirty seven thousand five hundred  
dollars  
Working part time  
Ya know something, Foxy? You're headed for the top,  
top  
Straight ahead and when you get there, you gotta stir it  
all up

You see, you're gonna make so much money  
When you walk down the street  
They're gonna think your pockets got the mumps  
Can you dig it, dig it, dig it?
