Whattup firm we got these niggaz cornered, so

Then a triple gs, foreala, I kinda think he got a  
Feeling I'm squealing me and tone was on the phone

Runnin through parsons

I know they layin like "dunn, we got ta stick them niggaz"  
In due time, they probably see the apple sour

The faggot niggaz don't deserve bein cream  
A bunch of snitches on the same team, tryin to reign supreme

The general, soak time, my partner in crime, nas and 'mega  
Gon' cry together, shit get real, we gon' die together  
I'm like whatever for my team through the cheddah  
Through the cream we gonna stay together, it's doe or die  
Through the slanted eyes, I organize family style

Lady godiva, forever firm fox boogie never lonely  
We were wed in holy matrimony, whatever  
Whichever, however, uhh, firm style
