Fox Five, let's go

See it ain't no party like a Fox Brown party  
'Cuz a Fox Brown party don't stop but them bottles a  
pop  
When Fox Five come through in the drop  
But chinchilla on my back, it's the King, the rap

Catch us [Incomprehensible], up in Bungalow 8  
Rollin' through in the cranberry SK8  
And call the crew, tell 'em come to the crib  
I did my time, it's all water under the bridge

I got knocked and it felt like a part of my life  
But I'm back home, I'ma party tonight  
Through the pool party since no one else is home  
All my friends happy for me, tell me "Welcome home"  
and

Yeah, I know I got busted for a crime  
Now I'm tryna have fun to make up for lost times  
The world is mine, I'm so refocused  
But I'm back this time and I'm back to grind, so

What you gonna do when you get out of jail?  
I'm gon' have some fun  
What do you consider fun?  
Fun, natural fun

We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me  
We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me

And, this is how it's 'sposed to be  
No police, all night, hopefully  
'Cuz we got Armadale vodka too, I got  
One of my homies on the ones and twos and

The food is bangin', the hate is gone  
Speakers blastin' the latest songs  
And all that time they had me alone

Now I'm with my family, I'm happy I'm home and

We two steppin' 'cuz it's back in style  
My friends laughin' and actin' wild  
See this type of thing happens all the time  
But you gotta get yours just like I'm gon' get mine

Everythin' is fine with my friends I pack a whole place in  
For one day I forget the probation  
I won't stop 'til the party is done  
And see I'm gon' have some fun

What you gonna do when you get out of jail?  
I'm gon' have some fun  
What do you consider fun?  
Fun, natural fun

We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me  
We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me

Ain't no party like a Fox Five party  
'Cuz a Fox Five party don't stop  
Ain't no party like a Fox Five party  
'Cuz a Fox Five party don't stop

Yeah, I made the crime but I paid the time  
And from this day on, I'ma take my shine  
You see I made the crime but I paid the time  
And from this day on I'ma take my shine, so, yeah

I can't forgive 'em, I'm livin' my life different  
I'm seein' just what I'm missin', I ain't tryna go to prison  
again  
They got me on constant watch  
But anythin' is better than to be on lock, so

What you gonna do when you get out of jail?  
I'm gon' have some fun  
What do you consider fun?  
Fun, natural fun

We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me  
We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me

What you gonna do when you get out of jail?  
I'm gon' have some fun  
What do you consider fun?

Fun, natural fun

We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me  
We drinkin' on the liquor 'til there ain't no more  
Tell me if you drinkin' with me
