I was thinking of sex and all the nasty things we do
I was thinking of love and how you got none in you
I piss my pants in an expensive suite (oh yeah)
I can keep my hat on in the worstest hurricane (make it rain)

Hold me, I get lonely
I can only wait so long
I'm losing my mind
Losing my mind

Keep the flowers, I'll just give 'em back
'Cause the only way to my heart is with an axe
Keep the flowers, I'll just give 'em back
'Cause the only way to my heart is with an axe, yeah

A cup of coffee before bed
So I dream fast
I stole your car
Then I purposely crashed

Hold me, I get lonely
I can only wait so long
I'm losing my mind
Losing my mind

Keep the flowers, I'll just give 'em back
'Cause the only way to my heart is with an axe
Keep the flowers, I'll just give 'em back
'Cause the only way to my heart is with an axe, yeah

Let me let you know [3x]
Yeah yeah yeah yeah
Let me let you know [8x]

Hold me, I get lonely
I can only wait so long
I'm losing my mind,
Losing my mind

Keep the flowers, I'll just give 'em back

'Cause the only way to my heart is with an axe
Keep the flowers, I'll just give 'em back
'Cause the only way to my heart is with an axe, yeah

Let me let you know [3x]
Yeah yeah yeah yeah
Let me let you know [3x]
Yeah
Let me let you know [6x]
