Bring your lips into my kiss tonight
My life depends on this here roll of dice
And when their gaze is straight
We're going to sneak behind
We'll catch the cold hard truth of being a crook
Thief, rat, no good rabble-rouser
Thief, rat, no good rabble-rouser
Thief, rat, no good rabble-rouser
Thief, rat, And Cry my name

I thought you said I never could, well I did
I did it right in front of your face
So next time just remember
Never say never
Never say never again
Hands in the air it's a robbery
You'll be lucky if you make it alive
If any of you heroes wanna speak up (speak up)
I suggest you do it now or forever hold your peace
I'm a dangerous man
I'm a dangerous man
I'm a dangerous, dangerous, dangerous man

And if they ask you hold your tongue tonight
Don't tell them what I told ya
Don't tell them what I told ya
When their gaze is straight
We're going to sneak behind
They'll catch our cold hard drift of being a crook
Hands in the air it's a robbery
You'll be lucky if you make it alive
And in the end just remember, never say never, never
say never again

I'm a dangerous man
I'm a dangerous, dangerous man
I'm a dangerous man
I'm a dangerous man

Who's Dangerous
Who's Dangerous
Who's Dangerous

Who's Dangerous

I thought you said I never could, well I did
I did it right in front of your face
So next time just remember
Never say never
Never say never again
Hands in the air it's a robbery
You'll be lucky if you make it alive
If any of you heroes wanna speak up
I suggest you do it now or forever hold your peace

Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
Reach for the sky
