Ooh aah you connect me  
You are the one, you hold me in my place  
Ooh aah you connect me  
(You can connect me)  
You are the one, you hold me in my place

You coward, I can feel you making eyes in my  
reflection  
I know what you're thinking, just say it, you don't like  
me  
It's a fact that I'm a dad, it makes you mad the dreams  
I had  
But I can't help it, I can't help myself

(No, no, no)

Ooh aah you connect me  
You are the one, you hold me in my place  
Ooh aah you connect me  
You are the one, you hold me in my place

You're unfair, you got a family that has needs, no  
dedication  
If I were there for you, well then my dreams, they don't  
come true  
If I was there for them, I'll lose my family and my  
friends  
What do I do, I can't help myself

Ooh aah you connect me  
You are the one, you hold me in my place  
Ooh aah you connect me  
(You can connect me)  
You are the one, you hold me in my, hold me in my  
place

You take away the space between the two of us apart  
You take away the disconnect to link us  
Heart to heart, heart to heart, yeah

Ooh aah you connect me

You are the one, you hold me in my place  
Ooh aah you connect me  
(You can connect me)  
You are the one, you hold me in my place

You can connect me  
(You bring me together)  
You are the one that holds me in my place  
You can connect me  
You are the one that holds me in my, holds me in my  
place
