Bring your lips into my kiss tonight  
My life depends on this here roll of dice  
And when their gaze is straight  
We're going to sneak behind  
We'll catch the cold hard truth of being a crook

Thief, a rat, a no good rabble-rouser  
Thief, a rat, a no good rabble-rouser  
Thief, a rat, a no good rabble-rouser  
Thief, a rat, a criminal

I thought you said I never could, well I did  
I did it right in front of your face  
So next time just remember  
Never say never  
Never say never again  
Hands in the air it's a robbery  
lucky if you make it alive  
If any of you heroes wanna speak up  
I suggest you do it now or forever hold your peace

Because I'm a dangerous man baby  
(He's a dangerous man)

And if they ask you hold your tongue tonight  
Don't tell them what I told ya  
Don't tell them what I told ya  
When their gaze is straight  
We're gonna sneak behind  
They'll catch the cold hard truth of being a crook  
Hands in the air it's a robbery  
lucky if you make it alive  
and in the end just remember  
Never say never  
Never say never again

Cuz I'm a dangerous man  
(He's a dangerous man)

(Ooh he's dangerous)

I thought you said I never could, well I did  
I did it right in front of your face  
So next time just remember  
Never say never  
Never say never again  
Hands in the air it's a robbery  
lucky if you make it alive  
If any of you heroes wanna speak up  
I suggest you do it now or forever hold your peace

Reach for the sky
