My paws is always dirty, my coat is never clean.
I have been known to scurry, all across these shitty
streets.
Been diggin' all my lifetime to find myself a bone.
I'm rolling through the garbage
Not so bad, ain't got no home!

Oh Lady, Lady, won't you share this spaghetti with me?
I'll suck a kiss I deserve!
SPCA is getting hot on my tail, baby.
I ain't afraid of no pound!

I'm a dog whose in love with a kitty [x3]
I'm a dog
