Well I wonder bout the hunger
That I've felt inside
Forced changes causing longing
I gave my will to survive

Don't wait for tomorrow
Make it today
You'll never find a better time to lean on your faith
So drop to your knees
Before it's too late
And reach up to the sky

Hey Hey Hey
Like a thunderbolt from Heaven
Swinging that hammer
You know that God He pounds his nails

One... Two... Three
When that drum beats up in Heaven
Swinging that Hammer
You know that God He pounds his nails

Seven wishes unchained madness
Paid the price for a dream
Fates warning
Forever thinking
God decides sight unseen

Don't wait for tomorrow
Make it today
You'll never find a better time to lean on your faith
So drop to your knees
Before it's too late
And reach up to the sky

Hey Hey Hey
Like a thunderbolt from Heaven
Swinging that hammer
You know that God He pounds his nails

One... Two... Three

When that drum beats up in Heaven
Swinging that Hammer
You know that God He pounds his nails

Then I stop and look and die
And never have to wonder why
I'm screaming but I remember that
God pounds his nails.
